

# Background to & Intent of CEDA Group

## CEDA Group – Statement of Purpose

*The Objectives / Purpose of the Community Energy Development & Administration Group is to assist and facilitate the development and ongoing operation of new, predominantly community owned, renewable energy projects across Central Victoria and beyond thus creating local jobs and keeping energy money locally within communities.*

*The Community Energy Development & Administration Group will provide ongoing operational administrative and other support services to maintain logistical and other viability of projects.*

*By achieving the Purpose the Community Energy Development & Administration Group will be assisting the transition to a clean energy future, reducing greenhouse emissions, mitigating some affects of climate change and helping communities to adapt to our future changing climate.*
